1. TRADEMARK GUIDELINES

The following directives apply to any THX trademark in print or electronic form and in any published materials, including websites:

1. Only individuals who have successfully completed the requirements for becoming a THX Certified Professional may use the trademarks displayed in this guide.
2. The trademarks may not be used to suggest that other individuals within an organization are THX Certified Professionals.
3. Trademarks must always be legible.
4. When referring to THX Ltd. the company, write THX Ltd. without the ® mark.
5. Descriptors must be used as separate words, each capitalized and not hyphenated.

Correct: THX® Certified Professional
Incorrect: THX-certified professional
Incorrect: THX certified professional
Incorrect: THX Certified professional
6. THX Certified Professional trademarks may not be used on apparel of any kind without written approval from THX. Please submit requests for approval to training@thx.com.
7. Under no circumstance may print material or company websites be designed to suggest that the organization which employs the THX Certified Professional is THX Certified, as opposed to the specific individual.
8. The THX word trademarks and logo trademarks should never be altered in any way.
9. The symbol ® or ™ should be used to signify trademarks. ® signifies that the mark is registered in the U.S. Patent and Trademark Office and/or other countries. The ™ is used with trademarks of THX that are not registered. THX shall inform Licensee as to which notice form is to be used. First use of any trademark in body copy should be denoted by the appropriate trademark symbol.
10. Your trade name and trademarks must be displayed more prominently than any THX trademark when used on your website or printed material. Your marks should be visually separate from the THX trademarks.
11. No THX logo may be combined with any other party's mark to create a composite logo. For example, you may not create a logo that includes another brand or company placed on the top or bottom of the THX logo.
12. When using any THX trademark in print or media, it should appear and be attributed with the appropriate Trademark Attributions.

AGREEMENT REQUIREMENTS:

THX requires that THX Certified Professionals sign a license agreement with THX prior to use of any THX trademarks. All uses of THX trademarks and service marks must be in strict compliance with the terms and conditions of such agreement and this Usage Guide. THX requires users to submit any advertising, promotional, display, instructional, and other design or descriptive material or media regarding THX to training@thx.com for approval prior to publication and distribution.

2. GENERAL DESIGN RULES

CLEARANCE GUIDELINES

Always observe clear space limits when reproducing any THX logo. No other text or graphical elements may be placed within an area of “clear space” around the logo, which is equal to $\frac{1}{2}$ of the height of the “THX” portion of the logo.

LOGO SIZING

To ensure the “Certified Professional” text is legible, the THX logo must be printed in a minimum vertical height of 10 millimeters (0.40 inches). There are no limits to maximum logo reproduction size.

DESIGN GUIDELINES

The THX logo should not be printed over any patterned background; only solid backgrounds may be used. Whenever possible, THX logos should be printed through a four-color process to yield the true, dark black. At all times, the logo should look sharp, clean, and premium. Modification of any THX logo or trademark is strictly forbidden without the express written consent of THX Marketing.
